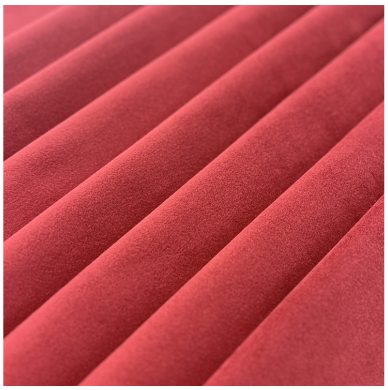
JC Joel West End Collection Coliseum

A knitted, synthetic-based velvet collection that imitates traditional velvets. Developed to incorporate a longer pile, our West End fabrics provide a rich sheen to enhance the colour and overall appearance without compromising the hardwearing properties.



Features

- Width : 500 g/m2
- FR Rating : IFR

Description

Coliseum is part of a knitted, synthetic-based velvet collection that imitates the most luxurious traditional velvets. Manufactured using a longer pile yarn, the West End velvets provide a rich sheen to enhance the colour and overall appearance, without compromising the hardwearing properties.
